Stop and Think! What activities do you do with your family?

1 Look at the the Woods Family infographic on page 23. Write the headings from the infographic in the mind map.

2 In your notebook, make a mind map about your family.

3 Make a pie chart for your infographic.

1. List your family's three favorite fun activities.
2. Estimate the number of hours your family does each activity in a week.

6 hours reading books

8 hours playing sports

3 hours online

3. Add the numbers: $6 + 8 + 3 = 17$. This is the total time for fun activities.

4. Divide the number of hours for each fun activity by the total time.

6 hours reading books $\div 17$ (total hours) = 35%

8 hours playing sports $\div 17 = 47\%$

3 hours online $\div 17 = 18\%$

5. Use the percentages to make a fun activity pie chart.

4 Make an infographic about your family. Present it to the class.
